

Omega HEPA Abatement Vacuum

Optional Back Pack Harness

Attachments store conveniently in the lid

The Omega HEPA vacuum is made from high impact Starex flame retardant polymer for durability and long life. It comes complete with all accessories shown above. It also features over-heat protection.

Filtration - A self contained HEPA filter cartridge for lead dust, mold spores, etc., reduces the risk of particle dispersion. The cartridge filter makes filter changes easy, clean, and safe.

Powerful and Quiet - Get the job done quickly and quietly!

16" flexible wand is pliable and will fit into hard to reach places.
